

DIRECTIONS TO DEBBY HALLIDAY'S HOUSE

My address is 6769 La Valle Plateada, Rancho Santa Fe.

From the south, come up the 5 and exit at Via de la Valle.

Go east on VDV until you come to the T intersection with Paseo Delicias/Del Dios Highway.

Turn Right. Take the very next right - there's a large church on the corner.

This is La Valle Plateada. It is a V shaped street, which begins and ends at

Paseo Delicias. We are on the right at the point of the V, just after the

intersection with El Mirador. Look for a grove of tall palm trees, a Bougainvillea, and a large coral tree in the middle of a split driveway.

That's me. The number is on a rock.

Coming from the east, take the Valley Parkway exit off 163 and go west.

Coming from the southeast, take the Via Rancho Parkway exit west off 163, then turn left on Del Dios Highway.

La Valle Plateada has a stop sign with flashing red lights. On the right the road is El Montevideo, on the left it is La Valle Plateada.

My house is then on the left just as the road turns back toward Del Dios.
