**August 7, 2018**

**Summary**

1. The business portion of the General Meeting focused on the continued need for membership to step up and volunteer time, skills, expertise, etc. at the Society's activities especially the shows presented to the public in keeping with the Society's mission of public education.
  
2. Treasurer, Myra DeTate, presented to the membership the need for enlarged storage facilities. A more centrally located and larger facility had been located but the lease terms exceeded the Board's authority 'to expense' limit of \$750.00 without membership approval. Myra made the motion "To pay the annual rent amount of \$4,500.00 for storage space at 3808 Cedar St., San Diego, and to terminate the rental contract with a thirty-day notice as required at the current storage facility location in El Cajon, California. The motion was seconded by David Brown. The request for discussion was made and there were some items brought forward at this time. After the period for discussion had been closed, a vote of the membership present was taken. Those approving the motion were asked to raise their hands in affirmation. Those not approving the motion to approve were asked to raise their hands, there were none raised. The motion was approved.

Respectfully submitted,

Tom Ketelaar, Secretary
